Mohamed Abdo Abdel-Sattar

IT Specialist

mohamedabdo962002@gmail.com +201023821588 Alexandria, Egypt (Willing to relocate)

Mohamed Abdo Mohamedabdo103 Egyptian

PROFILE

A motivated IT engineer with excellent technical, communication and interpersonal skills looking to gain valuable experience in a professional setting.

EDUCATION

- **Graduate from the Engineering Department, Alexandria University.** 2020-2025
  - Major: Communications and Electronics Engineering.
  - Cumulative GPA: 3.56/4.0

COMPETITIONS

- **We have taken First place in the DIGITOPIA 2025 competition in the field of Artificial Intelligence for our graduation project**. [Certificate]

PROJECTS

- **Graduation Project: Smart Wheelchair with Multiple Control Modes** [Demo]
  - Led the development of an AI-powered smart wheelchair, contributing to eye-tracking control implementation, full hardware and sensor integration, and ensuring seamless coordination between multiple AI control modes, hardware systems, mobile application, and healthcare monitoring features.
- **DEPI Graduation Project "Comprehensive Network Design and Implementation"**
  - Designed and implemented a secure and scalable network with key features:
    (Network Design - Basic Settings & SSH - DHCP, NTP & SYSLOG - VLANs & Inter-VLAN Routing - Subnetting & IP Addressing - Routing Protocols - Switch Security - Access Control List – VPN)
- **Nasa Space Apps challenge: World Away: Exoplanet Hunting with AI** [GitHub]
  - Built an interactive web application using Streamlit and TensorFlow to classify exoplanets based on observational data. This tool leverages artificial intelligence to analyze exoplanet features, identify potential candidates, and provides users with an intuitive interface to explore, visualize, and export results.

PROFESSIONAL COURSES

- Cisco Cybersecurity Engineer @DEPI June 2024 – October 2024
  - Cisco CCNA V7 Routing and Switching (120 Hours)
  - Cisco Cyber-Ops Associate (60 Hours)
  - Soft and Freelancing Skills (50 Hours)
    (Public speaking – Communication – Email Writing – Writing proposals – Handling Clients).
- Linux Administration September 2024
- MCSA November 2024
- Network+ (50 Hours) August 2023

CERTIFICATES

- Certified " Cisco CCNA V7 Routing and Switching " from DEPI.
- Certified " Cisco Cyber-Ops Associate "from DEPI.
- Certified " Linux Administration " from Mahara-Tech.
- Certified " Introduction to Network Security" from Mahara-Tech.
- Certified " C Language & Python " from Cisco.
- Certified " IoT " from NTI.

TECHNICAL SKILLS

- Fundamentals of security
- Cisco Routers and Switches.
- Routing protocols (BGP, OSPF).
- Network Address Translation (NAT).
- LAN, WAN, and MAN communication Systems.
- Windows Server 2019.
- Spanning Tree Protocol (STP).
- IPV4 and IPV6.

INTERPERSONAL SKILLS

- Leadership skills
- Digital Marketing Specialist @ITI
- Strong problem-solving skills with attention to detail, Attitude and Work ethic, Adaptability/Flexibility, Empathy and Emotional Intelligence, and Active Listening.
- Ability to work and collaborate with people from diverse backgrounds and perspectives.
- English Language: Very Good.
